There's no man's land
 no man ever survived
INVISIBLE HANDS
 are behind IF YOU ever
 just now win that Race
 you'll be the King RAGE
CAUSE IT'S then

LETTING damn depressed
 LETTING damn depressed

LET IT OUT
 LET IT DOWN
 LET IT INSIDE
 LET LOOSE
 INSIDE

The mask is in heavy rain
 Ultimately slain
 Make shadows slave
 What we've done is in vain
 Carrying AK-47 24/7

But you gotta live it
 persecuted by heaven
COMES from
DIRECTION
 indication o

YOU'VE GOT TO
 to let it move first
